Spring Newsletter 2020

Hello Everyone.

By the time you receive this newsletter and Journal, your committee will have met again and one of the items on the agenda will be the results of the member's survey sent out with the last Journal. If you would like us to have an event in your area please get in touch as you may be able to help us make it happen.

The Committee will also consider organising some other events before our already planned main meeting to be held in September at Kingsteignton.

In the meantime I list overleaf some forthcoming events. For members in Somerset there is an open day at Bridgwater. We will have a stand there so please come and say hello and make sure we have your up to date details.

For members in north Devon I will be holding another of my get-togethers in Barnstaple. This time I have chosen to try a Saturday to give a chance for anyone who works during the week. If you have not been before give me a call before the day and we can arrange to meet you outside. I look forward to seeing you.

Finally, In addition to the three Mid Devon Ostomy Group meetings held in Crediton, Janice has also arranged a meeting in Tiverton so please support her at this new venue.

See you soon, Rob.

Last November Sid and Rob attended the North Devon Stoma Care Open Day in Barnstaple
